**+10** means an extended warranty period, where the spare part will be replacement part will be provided to the customer for an additional 10 years at 50% of the current retail price.  
\*Lifetime means a warranty period of 30 years.

# Perfect for all Long-Jobs!

Barbecuing and smoking with butcher paper is very popular in the USA and has now become a trend here too, which you should definitely try. ALLGRILL butcher paper is a strong, uncoated paper. It is grease-proof and water-repellent, but unlike aluminium foil and baking paper, it is breathable. It can also be heated to up to 180°C.

**ALLGRILL Butcher-Paper**  
Dimensions: 30 m x 60 cm  
Art. No. 9817 / RRP (€) 39,90

## 3D-CONFIGURATOR

## SET COMBINATIONS

### Your personal ALLGRILL It's that easy!

Design your dream barbecue exactly as you want it! With our configuration table, you can put together your dream barbecue in just a few steps.

It's that simple:

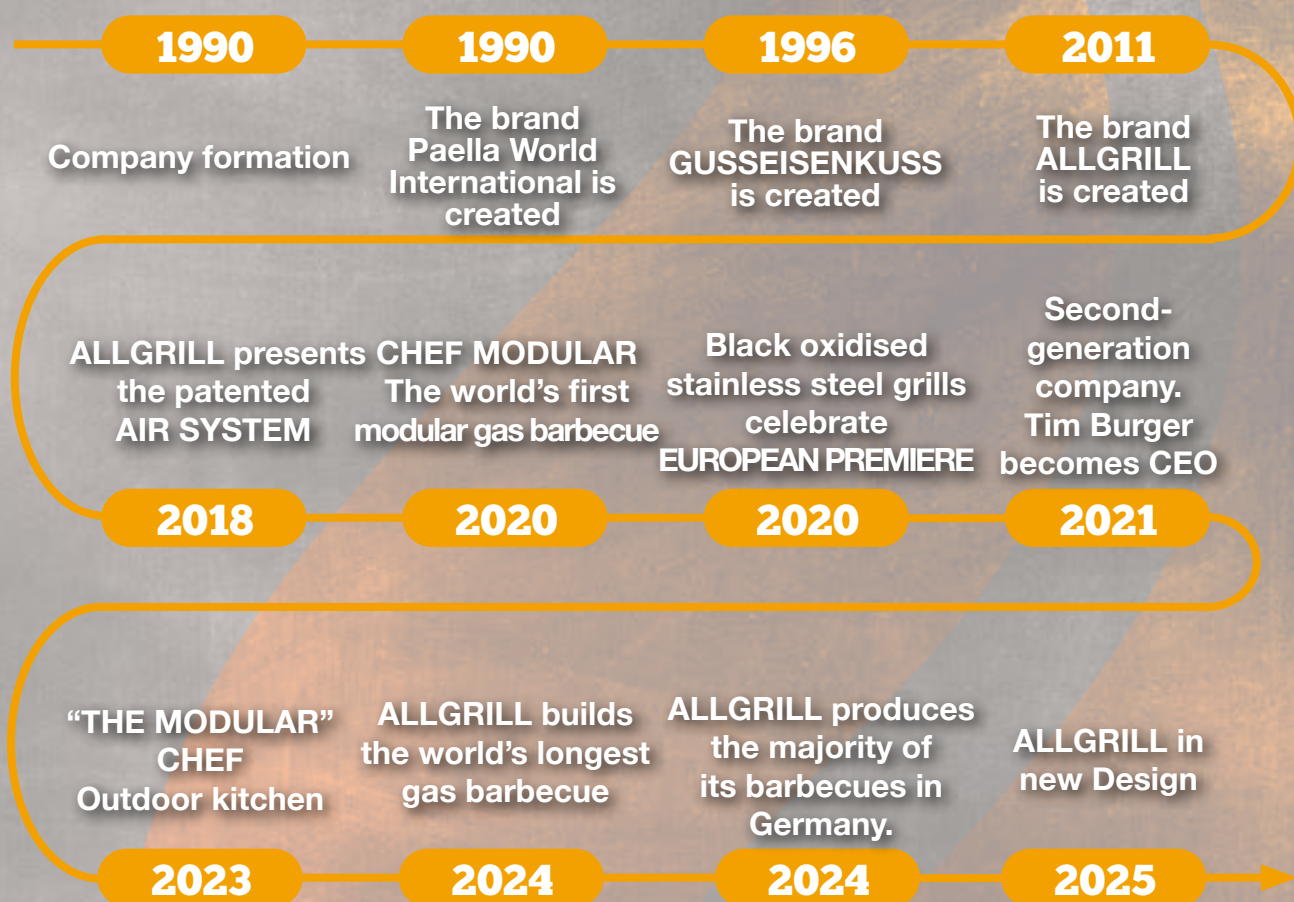

1. Select your base model: Start with the base model, which forms the main structure of your new barbecue.
2. Select the modules: In the following rows of the table, you will find a wide range of modules and additional equipment. Select the options you would like to add to your basic model. From side burners and steak zones to the AIR SYSTEM, no wish remains unfulfilled.
3. Simply tick the desired modules in the corresponding column. This allows you to see at a glance how your very own ALLGRILL is being created. In addition, the configuration table already includes a 10% discount on all modules!

Alternatively, you can choose one of the numerous set combinations we have prepared for you. Scan the QR code and discover many new, preconfigured barbecues.

# COMPANY HISTORY

## FOUNDING AND DEVELOPMENT

Our brands for you:

**FROM NOW ON, WE'RE ON FIRST-NAME TERMS!**

Geschäftsführer: Tim und Martin Burger

B.M.S. – Burger GmbH was founded in 1990. Today, our focus is on the ALLGRILL brand, which stands for high-quality modular gas barbecues, barbecue accessories, portable barbecues and cast iron cookware.

Our products have been successful in over 20 countries worldwide for more than 30 years. Each individual brand reflects the Swabian company philosophy: the best quality should be affordable for every barbecue enthusiast. To achieve this, we develop professional, high-quality and innovative modular gas barbecues and cooking accessories.

# MODULES

## ALLROUNDER

1

### Module Side Panel:

- Expands your work surface
- Folds down
- Can be retrofitted at any time and expanded with a steak zone or side burner
- Made of stainless steel
- Can be expanded modularly at any time

6

### Module AIR SYSTEM:

- Grilling and baking just like in an oven
- Perfectly even heat: no cold spots in the cooking chamber
- Ideal for pizza, roasts and cakes
- The world's only convection system for gas barbecues

2

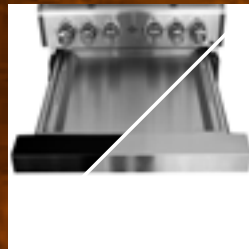

### Module Side cooker:

(modularly configurable)

- offers you an additional hob
- expands your workspace
- foldable
- perfect for Pans & Co.
- modular expansion possible at any time

7

### Module Grease Drawer

- Made entirely from stainless steel
- Suitable for ALLROUNDER, CHEF and CHEF Built-In
- with telescopic pull-out
- Grease trap can be filled with sand
- Plus 5cm working height (93 cm)

3

### Module Steakzone® :

(modularly configurable)

- offers you an additional hob
- Ceramic burner with 750°C for perfect steak branding
- expands your workspace
- foldable
- modular expansion possible at any time

8

### Plancha Module:

- Turns your barbecue into a professional plancha
- even heat distribution
- 4 mm thick stainless steel keeps the temperature constant
- The smooth surface is clean in a flash

4

### Module Icebox/Cutting board:

- expands your workspace
- foldable
- offers you storage space for food, cutting waste or cool drinks at the barbecue
- made of stainless steel

5

### Module SMOKE:

- Turns your gas barbecue into a pellet barbecue
- Hot and cold smoking possible
- Further advantages in combination with the AIR SYSTEM

**THE NEW**

**CONFIGURABLE**

**ALLROUNDER**

**Over 100  
possible  
variations**

The new ALLROUNDER can be configured according to your personal preferences. There are many features available for configuration that are unique to ALLGRILL: the AIR SYSTEM, the Steakzone®, the side shelf, the universal SMOKE SYSTEM, the grease tray and the choice of sizes, four different grill grates.

All configurable basic models include: 3.5 kW back burner, easy-clean grease tray, 3.5 kW stainless steel burners, space for an 11 kg gas cylinder, 4 swivel castors, piezo ignition and a double-walled stainless steel hood with integrated thermometer.

# ALLROUNDER SERIES

## ALLROUNDER MODULAR

### Module Side Panel:

Expand your barbecue on the left and/or right with the side panel for more space and comfort when barbecuing.

### Module Side cooker:

Expand your barbecue with the side burner for preparing wok dishes, side dishes and much more outdoors.

### Module Steakzone® : (modularly configurable)

Expand your barbecue with the ALLGRILL Steakzone® for perfect steaks with an irresistible crust.

### Module Icebox/Cutting board:

Expand your barbecue with the ice box, which you can use to enjoy cool beer with ice cubes or to dispose of your cutting waste directly.

### Module SMOKE:

Expand your barbecue with the SMOKESYSTEM for an intense smoky flavour and perfect cold smoking.

### Module AIR SYSTEM:

Enhance your barbecue with the AIR SYSTEM, the world's only convection fan in a gas barbecue, which allows you to cook, grill and bake just like in your kitchen.

### Module Grease Drawer

Expand your barbecue with the grease tray module for increased working height and effortless cleaning.

## ALLGRILL

### PLANCHA MODULE S

**Art. No. 88100**

#### Cleverly stowed away on the rear wall

Do you love plancha grilling, but don't want to miss out on the grill rack? No problem! We have expanded our plancha range with a new, compact module that is perfect for all our barbecue models, but also fits almost all barbecue models on the market. (Depth adjustable from 40-49 cm)

This new plancha module is only 35 cm wide and simply replaces part of your grill surface. This allows you to enjoy the benefits of plancha grilling without sacrificing traditional grilling. This module allows you to cook delicate foods such as seafood and vegetables at high, even temperatures, while preventing small pieces from falling through the grate. You will notice that there is less smoke and cleaning is incredibly easy.

With this new, compact module, you no longer have to compromise and can take full advantage of your barbecue's versatility.

**Suitable for ALL BBQs!**

**Plancha Module S - 35 x 40-49 cm**  
**Art. No. 88100 / RRP (€) 199,00**

# PLANCHA BBQ-s

## PLANCHA BBQ-s CHEF SERIES

### Barbecuing with and without a plancha:

The Plancha gas barbecues can also be fitted with grill grates, allowing them to retain the functionality of a normal gas barbecue.

### Fully configurable:

You can customise your plancha grill. Choose from a range of modules and accessories to tailor the grill perfectly to your needs.

### Perfect for outdoor kitchen:

Our CHEF plancha grills can be seamlessly integrated into our outdoor kitchen.

### High temperatures:

Plancha grills reach very high temperatures, which allows for intense searing. The result is a crispy surface and a juicy centre.

### Even heat distribution:

The solid 4 mm stainless steel plancha plate stores heat excellently and distributes it evenly across the entire surface. This means there are no cold or overly hot areas.

### Versatility:

You can cook almost anything on a plancha. Whether it's meat, fish, seafood, pancakes or even crêpes – the possibilities are almost endless.

### Easy cleaning:

The smooth surface of the plancha is quick and easy to clean. It is usually sufficient to remove any residue with a scraper and wipe the plate down once it has cooled down.

### No small pieces that fall through:

Finely chopped ingredients such as onion rings, mushrooms or prawns cannot fall through the grill and end up safely on your plate.

## PLANCHA MODULE

**New  
from 2026!**

**Plancha Module S (35 x 40-49 cm)**  
Art. No. 88100 / RRP (€) 199,00

**Plancha Module M (56 x 40-49 cm)**  
Art. No. 88300 / RRP (€) 259,00

**Plancha Module L (66 x 40-49 cm)**  
Art. No. 88400 / RRP (€) 329,00

**Plancha Module XL (91 x 40-49 cm)**  
Art. No. 88600 / RRP (€) 399,00

Use the Plancha module like a large pan and prepare dishes such as Kaiserschmarrn, fried potatoes, smash burgers and much more.

Each Plancha module is handmade and welded all around. A slope allows excess fat/oil to flow into the grease tray, giving your smashburgers delicious roasted flavours throughout. With this module, you can transform your ALLGRILL and any other gas barbecue into a Plancha barbecue in no time at all.

The plancha can be used universally on all gas or charcoal barbecues. Thanks to the 4 different sizes, it is suitable for all barbecues with a cooking surface width of 38 cm or more. Thanks to an adapter piece made of 4 mm solid stainless steel, our plancha module fits depths from 390 to 490 mm.

### Module Side Panel:

- Expands your work surface
- Folds down
- Can be retrofitted at any time and expanded with a steak zone or side burner
- Made of stainless steel
- Can be expanded modularly at any time

6

### Module AIR SYSTEM:

- Grilling and baking just like in an oven
- Perfectly even heat: no cold spots in the cooking chamber
- Ideal for pizza, roasts and cakes
- The world's only convection system for gas barbecues

2

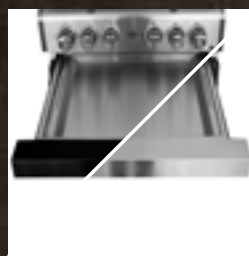

### Module Side cooker:

(modularly configurable)

- offers you an additional hob
- expands your workspace
- foldable
- perfect for Pans & Co.
- modular expansion possible at any time

7

### Module Grease Drawer

- Made entirely from stainless steel
- Suitable for ALLROUNDER, CHEF and CHEF Built-In
- with telescopic pull-out
- Grease trap can be filled with sand
- Plus 5cm working height (93 cm)

3

### Module Steakzone® :

(modularly configurable)

- offers you an additional hob
- Ceramic burner with 750°C for perfect steak branding
- expands your workspace
- foldable
- modular expansion possible at any time

8

### Module Drawers:

- Only possible with CHEF L and XL
- keeps your barbecue utensils tidy
- two drawers in black or classic solid stainless steel
- The „Prepare“ module fits perfectly with this

4

### Module Icebox/Cutting board:

- expands your workspace
- foldable
- offers you storage space for food, cutting waste or cool drinks at the barbecue
- made of stainless steel

9

### Module Control Knob

- The colour change on the rotary controls immediately shows whether the gas supply is open.
- made of cast metal
- Perfect ambience day and night

5

### Module SMOKE:

- Turns your gas barbecue into a pellet barbecue
- Hot and cold smoking possible
- Further advantages in combination with the AIR SYSTEM

10

### Plancha Module:

- Turns your barbecue into a professional plancha
- even heat distribution
- 4 mm thick stainless steel keeps the temperature constant
- The smooth surface is clean in a flash

11

### Prepare Module

- Perfect organisation of your barbecue ingredients and prepared dishes
- Keep warm function when used in upper grill drawer
- All information on p. 34

**THE FIRST**

**CONFIGURABLE**

**CHEF MODULAR**

**Over 200  
possible  
variations**

The new gas barbecues from the TOP-LINE: CHEF S, CHEF M, CHEF L and CHEF XL can all be configured to suit your personal requirements. There are many features available for configuration that are unique to ALLGRILL: the AIR SYSTEM, the Steakzone®, the side shelf, drawers, the universal SMOKE SYSTEM, the grease tray, the size selection S-XL and the classic stainless steel or black oxidised design. All CHEF models from 2021 onwards can be configured.

All configurable basic models include: 3.5 kW back burner, 220 V BBQ lighting, easy-clean grease tray, stainless steel burners (3.5 kW each), double-walled stainless steel panels, space for an 11 kg gas cylinder, 4 swivel castors, piezo ignition, double-walled stainless steel hood, double-walled lid side panels and soft-close doors.

Technical and visual changes are possible at any time for all models.

# CHEF SERIE

## CHEF S MODULAR

### Module Side Panel:

Expand your barbecue on the left and/or right with the side panel for more space and comfort when barbecuing.

### Module Side cooker:

Expand your barbecue with the side burner for preparing wok dishes, side dishes and much more outdoors.

### Module Steakzone® : (modularly configurable)

Expand your barbecue with the ALLGRILL Steakzone® for perfect steaks with an irresistible crust.

### Module Icebox/Cutting board:

Expand your barbecue with the ice box, which you can use to enjoy cool beer with ice cubes or to dispose of your cutting waste directly.

### Module SMOKE:

Expand your barbecue with the SMOKESYSTEM for an intense smoky flavour and perfect cold smoking.

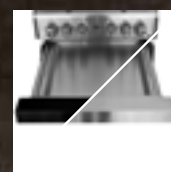

### Module AIR SYSTEM:

Enhance your barbecue with the AIR SYSTEM, the world's only convection fan in a gas barbecue, which allows you to cook, grill and bake just like in your kitchen.

### Module Grease Drawer

Expand your barbecue with the grease tray module for increased working height and effortless cleaning.

### Module Control Knob

Enhance your barbecue with solid cast metal LED knobs that instantly indicate the status of your barbecue by changing colour.

**Prepare Module 1x 1/2**  
Art. No. 700-S3 / RRP (€) 99,00

**Prepare Module 1x 1/3**  
Art. No. 700-S4 / RRP (€) 79,00

With our new „Prepare“ module, you can organise your barbecue ingredients more flexibly than ever before. This clever module has been specially designed to fit seamlessly into the drawers of your outdoor kitchen or barbecue.

It allows you to integrate various GN containers so that you have all your ingredients and spices right at your fingertips on the barbecue. This not only makes preparation clearer, but also much easier.

Turn your drawers into a multifunctional preparation station and enjoy the efficiency of good organisation.

# THE MODULE

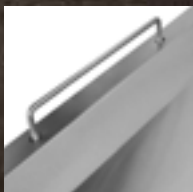

## GREASE DRAWER

Tip: If you fill the grease tray with fine sand, the grease will bind even better during grilling.

To make removal easier for you, the grease tray is equipped with two handles.

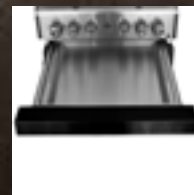

Bonus: A grease tray raises the working height by 5 cm, making it more comfortable to work at the barbecue.

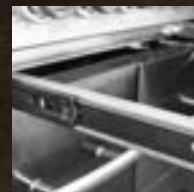

The new grease drawer module is made entirely of stainless steel and can be retrofitted to all existing CHEF models built in 2016 or later and ALLROUNDER MODULAR models built in 2022 or later at any time. Prices can be found under the respective gas barbecues.

Filling with sand enables quick and easy cleaning.

In addition to handles, the grease drawer has a telescopic pull-out. This makes removing the tray even easier.

The removable grease tray can be easily cleaned by taking it out.

# BUILT-IN

## DROP-IN MODULE

### DROP-IN STEAKZONE

Expand your built-in barbecue with our new drop-in modules! More space, more possibilities: our drop-in side burner and Steakzone® modules make your built-in barbecue even more flexible. This allows you to barbecue, cook and sauté at the same time – for a culinary experience in a class of its own.

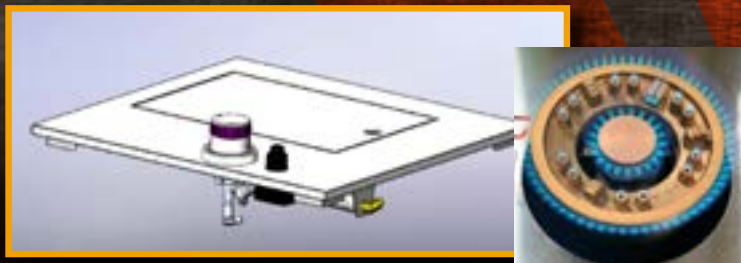

#### Drop in Steakzone

Dimensions: 50 x 48 x 20 cm

Surface ceramic burner with 3.5 kW

Art. No. 100800 / RRP (€) 469,00

### DROP-IN SEITENKOCHER

#### Drop in Seitenkocher

Dimensions: 50 x 48 x 15 cm

Stainless steel burner with 3.2 kW

Art. No. 100400 / RRP (€) 399,00

# ICEBOX/CUTTING BOARD

## MODULE

Expand your CHEF or ALLROUNDER with our new versatile module. Whether as an ice box for chilled drinks or as a chopping board with a practical storage compartment for barbecue food, this modular element offers you maximum flexibility when barbecuing.

**Icebox/Cutting board incl. left. Side panel**  
Art. No. 250-L / 150-L RRP (€) 299,00

**Icebox/Cutting board incl. left. Side panel**  
Art. No. 250-R / 150-R RRP (€) 299,00

## ALLGRILL

## FLAME PLATES

Perfect heat distribution for perfect results. Our flame plates are not only functional, but also durable. Thanks to the double-walled design, the heat is optimally distributed so that your food is heated evenly from all sides. This allows you to achieve professional grilling results.

**Flame Plate Chef-Series/Outdoor kitchen**  
Art. No. Chef-007 / RRP (€) 29,50

# ALLGRILL OUTDOOR KITCHEN

## TOP-LINE OUTDOOR KITCHEN

### THE MULTI-TALENT

The ALLGRILL CHEF is not only a gas grill but also a convection oven, smoker and outdoor kitchen. You can equip your CHEF gas grill not only with the existing modules such as the steak zone, drawer system, SMOKE SYSTEM, AIR SYSTEM or the fat drawer. From now on, there are outdoor kitchen modules that turn the „stand-alone grill“ into your real master kitchen at any time.

### GASGRILL SELECTION

For your customised outdoor kitchen, you can choose between CHEF S (2-burner), CHEF M (3-burner), CHEF L (4-burner) and CHEF XL (6-burner). Quite a lot of choice. You can even add a steak zone and cooking zone on the right/left or two steak zones or two cooking zones on the right and left.

### MIX & MATCH

Combine, swap and experiment with the 5 new outdoor kitchen modules for the CHEF Modular. These include a fridge, sink, drawer cabinet, side hob and steak zone module. You can combine the modules with each other to realise your dream of a customised outdoor kitchen.

### BLACK STAINLESS STEEL

All outdoor kitchen modules are made of specially manufactured full stainless steel and are neither painted nor powder-coated but oxidised.

### LIFETIME WARRANTY

Our gas grills and modules are all made of high-quality full stainless steel and are therefore particularly durable. ALLGRILL guarantee: Our promise for your barbecue and our environment. You can find our terms and conditions at <https://allgrill.de/garantie/>

# ALLGRILL CHEF

## TOP-LINE BASE MODEL

Ceramic back burner ideal for rotisserie grilling with 3.5 kW power. Includes BBQ lighting.

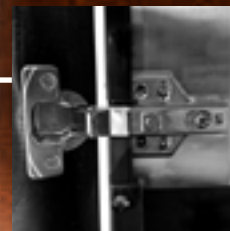

Double-walled and durable flame plates. The lid and the side walls of the lid are also double-walled.

The grease collection tray, which can be removed from the front with a telescopic pull-out mechanism, can be filled with water or sand. This makes cleaning easier and saves valuable time.

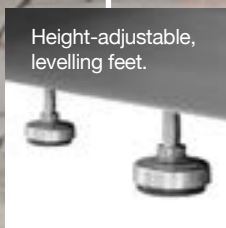

LED illuminated gas control knobs.

Quiet self-closing thanks to double-walled soft-close doors.

CHEF S (2-flame)  
CHEF M (3-flame)  
CHEF L (4-flame)  
CHEF XL (6-flame)

Height-adjustable, levelling feet.

4 swivel castors, height adjustable

## ACCESSORIES

### 1 Weather protection cover

The cover „Type 600D Oxford Premium Quality“ is ideal for protecting your barbecue against external weather conditions and dirt.

### 2 Cast iron grill plate

The cast iron grill plate offers very good heat retention. This can be used on both sides and is also easy to clean.

### 3 Stainless steel hotplate / pan

Equip your grill grate with a cooking pan. Use the 3 mm solid cooking pan like a large frying pan and prepare dishes such as fried potatoes.

### 4 Cast iron grate

Solid, massive and robust - the cast iron grate made for eternity.

### 5 Stainless steel grate

Ideal complement for your gas grill. The grate has a thickness of 5 or 8 mm.

### 6 Universal barbecue skewer set

Your food will be evenly crispy and cooked to the point. The barbecue skewer set with electric motor (230 V) is made of stainless steel.

### 7 Stainless steel splash guard with included Shish kebab set for the Steakzone®.

Protect your grill with the splash guard and additionally grill shish kebabs (incl. 3 shish kebabs).

### 8 Stainless steel dish insert for side hob

Place the wok in its designated insert and use it to prepare delicious meals.

### 9 Stainless steel heat deflector, single

Passend für Holzkohleeinsatz oder andere Anwendungen wie Rost, Gussgrill- oder Kochplatte.

### 10 Stainless steel charcoal insert with heat deflector

You want the advantages of gas and charcoal? Then remove the flame plates and insert the charcoal insert.

### 11 Stainless steel cast iron grate Hexagon

ALLGRILL cast stainless steel grill 10 mm with hexagonal grill bars combines the best of grill types.

### 12 Smokeboxx® stainless steel

Simply hang the Smokeboxx® with smoking chips in the grill and heat. For all ALLROUNDER, CHEF and outdoor kitchens.

Art. No. 98909/ RRP (€) 89,00

**ENAMELLED**  
*Trays*

As we have been manufacturing cast iron products since 1996, it was a logical step to expand our existing range of cast iron grill plates, cast iron pans and woks. This is how our GUSSEISENKUSS brand came into being.

Shortly after the launch of the first products, we received positive feedback from our customers. We already offer you and your customers a wide selection of cast iron pots, bowls, woks and roasting pans. Nevertheless, we continue to expand our range year after year. As with our other own brands, the focus here is on offering good value for money.

The advantages of cast iron products are well known and appreciated by chefs around the world. These include, for example, excellent heat retention, which is ideal for searing and crisping. In addition, frying and cooking at low temperatures becomes child's play. Flavours are better preserved and frying and cooking results improve with use.

In addition to being easy to clean, cast iron products are also energy-efficient and suitable for all types of cookers, including gas, electric, ceramic and induction.

**GUSSEISENKUSS** – bring enjoyment to your kitchen!

**THE IDEAL**  
*Companion*  
**FOR GRILLING!**

The PAELLA WORLD International® brand was founded in 1990. That year, the brand began importing its first paella pans and paella grill sets from Spain, the birthplace of paella. Today, the brand's product range is one of the most extensive available.

PAELLA WORLD International® is now one of Europe's largest manufacturers of paella grills and accessories. The brand offers countless sizes and designs of paella pans, complete paella grill sets, paella ingredients, accessories and much more.

Many innovations and patents (such as our windshield or the ignition-protected paella gas burner) have been very popular with customers for years. A milestone in the product range was the development of the cast iron grill plate. PAELLA WORLD International® was a pioneer in this field, transforming the classic paella grill with pan into a proper barbecue.

PAELLA WORLD® products have found fans across the continent in the field of catering and restaurant grills. Customers everywhere place their trust in these robust, versatile cooking tools that are available at a reasonable price. That is why we will continue to focus on innovations in the paella sector in the future, in order to further improve the cooking experience for our target group.

**The ideal companion for camping, leisure and at home!**

**All advantages at a glance:**

- easy and fast handling
